

SENATOR LINDSAY: That's my understanding. Senator Jensen is more familiar with it.

SENATOR MAURSTAD: Okay. Thank you. Appreciate the information.

SPEAKER WITHEM: Thank you. Senator Avery.

SENATOR AVERY: Yes, Mr. Speaker, if Senator Lindsay will answer a question.

SPEAKER WITHEM: Senator Lindsay.

SENATOR LINDSAY: Yes.

SENATOR AVERY: Was there discussion in committee in terms of the dollar amount, the value of the property before what they can dispose of?

SENATOR LINDSAY: There was some discussion and that was not attempted because, as originally drafted, there were no...I mean, as originally introduced, those bills did not address the uniform act or the Disposition of Property...I shouldn't say uniform act, the Disposition of Property Act, and it just made reference to it. So to come in and change that threshold, we thought that may be a legitimate change but we should maybe wait and do that next year with a bill that would come in where everybody would have notice of this is what we're trying to change. That was never the intent when it first came in.

SENATOR AVERY: Okay, thank you. I support this amendment. Thank you.

SPEAKER WITHEM: Thank you, Senator Avery. Senator Hartnett.

SENATOR HARTNETT: Mr. Speaker, members of the body, what's...it says that notify the tenant that property...maybe you can explain it, Lindsay or Senator Lindsay, that pursuant to Section 69-2308, what is that?

SENATOR LINDSAY: That's the police pursuit liability...no, I'm just...(laughter), I just wanted to get Senator Maurstad interested.
